Dear Friends,

As incoming club president, I am super-excited for a fun-filled and rewarding year ahead. Thank you to new and existing members for taking the time out of your busy life to make a commitment to our local club as well as district & international. I am so very grateful for your support and dedication! We are all in this to make a difference so please do not be shy to sign up for a committee!

That being said, Zonta International will turn 100 years old in 2019. The official kick off will take place at the 2018 International Convention. You can stay current on the latest Centennial information and resources through www.zonta100.org. You can also go to the Zonta District 12 web site to find upcoming information.

All Zonta clubs have been challenged to celebrate by honoring women in their community who have empowered women. November 8, 2019 will be a day for all clubs worldwide to highlight these women and make a statement of the mission and goals of Zonta. There is a lot to do before we can reach this goal. A committee is needed to work on this project. If you are interested in this committee (or any of the others), please contact me or Denise Parrish. Our club has done a lot of great things and this is an opportunity to go into the history of ZI.

NEW MEMBER: Rebecca Reid

My name is Rebecca Reid. I was born in Tucson, Arizona and moved to Florida when I was three years old. I moved here with my military family four years ago and am proud to call Cheyenne, Wyoming my home. Prior to moving to Cheyenne, I served as death investigator with the District 14 Medical Examiner's Office in Panama City, Florida for seven years. I have served as Deputy Coroner for Laramie County Coroners Office since December 20, 2013 before being promoted to and serving as Chief Deputy Coroner since October 1, 2014. During the past four years, I have embraced the responsibility that comes with guiding families through the most difficult time in their lives; the loss of their loved ones. I'm super excited to be part of Zonta and feel that I can bring a lot of my training and contacts to the organization.

Linda Bogart presenting Zontian of the year to Brenda Mathre

We have often talked about the fact that we are an incredible group of women. We are doing good things locally, and through our efforts we are contributing to good things across the globe. We continue to unite as we work to improve women's lives, their children's lives, and the communities in which they live and work.

Many of you have advocated in the past year to make gender equality a reality for women and girls worldwide. Several of you have committed to service projects that empower women and girls, providing resources to those in need.

One Zontian has gone above and beyond in these efforts. Every time there is an opportunity to serve, this woman has been ready and willing – from event set-up to sign-up sheets, cookie decorating, or gathering items and putting together victims assistance bags. Our Zontian of the Year serves on the Board, and spearheads the Zephyr each month. She also coordinates meeting RSVPs and greets each of us upon arrival to our general meetings.

Of equal importance to the “doing”, which this woman does so generously, our Zontian of the Year is collaborative and team-oriented. She contributes with her positive attitude and friendliness. This woman helps others to feel welcome. Her kind smile helps all to feel important and valued. Her gentle presence is a quiet force that ensures we stay focused on our mission. She is thoughtful and generous and inspires me to improve simply by the tremendous example she sets.

Please join me in celebrating Brenda Mathre, our Zontian of the Year.

All Woman Council of Jackson:

The election was held on May 11, 1920 and the final count was certified with the swearing in of the officeholders on June 8 at a regular Town Council meeting. The mayor and four council members, all five of them women, were not, however, simple domestics. Both as individuals and with their husbands they assumed positions of civil leaders, movers and shakers, citizens with minds of their own and mouths to express themselves articulately.
