Thank you all for a successful Cancel Out Fundraising Event!

Message from the President

March is all about women! March 1st kicked off our recognition of International Women's Day with Zonta participating in the Community Resource Fair and Building a Better World Together Rally held at the Laramie County Library and hosted by Grace Women in Faith! Thanks Kathy, Jody, Linda, Ann, Dasa, and all who participated to make this event a success!

Friday night found Zontians at the annual Cancel Out event! What a huge success! This committee co-chaired by Amy Hernandez and Belinda Sawyer and supported by Betty, Kathy, Pam, and so many others in our club was the best yet! It will be exciting to see how much money was raised to support our Stages project at COMEA!

The wine grab, raffles, silent auction items, and live auction items were fun and well planned. The fun filled

evening then turned to educating attendees about interpersonal violence through our keynote speaker address and the "What Was She Wearing?" Fashion Show.

The next club event will be hosting the Area meeting on April 14th and 15th. We hope that everyone will join us for this event in our community. Even if you can't join us for both days there is an opportunity to join us for any or all of the Friday events that include a historic trolley tour of Cheyenne (4-5 p.m.), a no-host dinner at

Rib and Chop (5-6:30 p.m.), and a Board and Brush workshop (where you get to pick your project) from 6:30-9:30! The spots will fill quickly at Board and Brush so visit this link and register today!

IWD Panel Hosted by Zonta Club of Syracuse

March 8th is quickly approaching and the Zonta Club of Syracuse & the Women's Opportunity Center want to invite you to our second annual IWD Panel Discussion. Last year, we had over 150 attendees from around the country. We would like to do that again. Below you will find a link to register. If you plan to have a watch party with your club that would be great. This year the panelists for the discussion are Zontians. We will discuss what it means to "Build a Better World for Women and girls," and discuss some of the obstacles women and girls are facing in today's world. We hope you can join us!

Native American women are 2.5 times more likely to experience sexual assault than all other American women. 1 in 3 Native women reports having been raped during her lifetime and 86% of the offenses are committed by non-Native men. These perpetrators exploit gaps in tribal jurisdictional authority and target Native women as 'safe victims'. SISTERS RISING follows six women who refuse to let this pattern of violence continue in the shadows. Their stories shine an unflinching light on righting injustice on both an individual and systemic level.

As the United Nations launches the 67th session of the Commission on the Status of Women – the world's largest annual gathering on women's rights – we at Unchained At Last are launching a hybrid parallel event.

Join us for the premiere of “Unseen Housewives,” our outrageous, provocative "trailer" for a show that must not go on: child marriage in the U.S. Be among the first people in the world to watch the parody trailer, and take a look behind the scenes with its creators and a child marriage survivor featured in it.
