## Message From the President

How time flies when you are having fun...another one of those old sayings that keeps popping into my head. This past year has gone by fast since I wrote my first President's letter.

Thank you for allowing me to serve as your President this past year and I hope I haven't made too many mistakes. I am so proud of our club and all the hard work you all do.

Please give your outgoing board members a thank you as well as giving the new board members your support as you have done for me. My goal when I became President was to give my all to keeping good communication with you members, try to engage those that might have felt left out and keep our club growing and healthy.

Each year we lose members for various reasons and I know that is happening this year. We also gain new members that are finding ways to give back to the community. We all have the responsibility to share Zonta's mission statement and look for potential members that can help us with our journey and meeting the mission. I hope you all will work on that.

I hope to see all of you at our upcoming meetings, it is a great time to bring a friend or come and engage with other friends in the club. Our May meeting is so important to begin the next biennium and get the ball rolling for more exciting times.

Thank you again for your support and I know your new President, Jennica Fournier is going to be amazing.

*Betty*

**Awards from Zonta**

Since 1990, Zonta has given 1,165 awards, totaling US\$1,858,750 to 993 young women from 60 countries.

The program operates at the Zonta club, district and international levels. Zonta International offers 37 international awards of US\$5,000. Each district may submit one applicant for consideration for an international scholarship. The five largest districts may submit a second applicant for a total of two applicants.

**Gift from Governor Debbie –  
 Zonta Pamphlets**

Governor Debbie gave the clubs Zonta pamphlets to use when talking to others about Zonta. Denise gave these out at the April meeting. If you would like some, check with her.

**“Add Your Voice” Campaign:  
 ZI Sponsored**

Zonta International is currently running the **“Add Your Voice”** campaign, for its membership drive. Anyone who joins or renews during April or May will be included in this initiative, providing an opportunity for member recognition. D12 Governor Debbie Sundberg has provided us with Zonta information cards to share with prospective members. Please see Denise at our next event to pick up a supply of these cards.

The District has set a goal to reach 550 members by June 1; we are currently at 450.

To illustrate the impact of these pamphlets, Denise shared a story from the District conference in Boulder. While speaking with a bartender who was interested in Zonta, Denise handed her one of the cards, which effectively provided the information she needed to learn more about our organization. ## 2026 Report Human Trafficking Breakthrough

*From April 2026 Issue of CCHT Chronicle (Center of Countering Human Trafficking, DHSBlue Campaign )  
Shared by Cara Chambers, Department of Homeland Security.*

### IN THE FIELD

#### HSI-Supported Investigation Leads to 29-Year Sentence in Sex Trafficking Case

Through a collaborative investigation supported by Homeland Security Investigations and partner agencies, a significant sex trafficking case has resulted in the sentencing of Damarquis McGee, also known as “Lilblue,” to 348 months (29 years) in federal prison. Efforts like this reflect the broader mission of the CCHT, which works to strengthen victim-centered investigations, enhance interagency coordination, and support the identification and recovery of trafficking victims nationwide.

McGee pleaded guilty on August 26, 2024. A U.S. District judge described his conduct as “horrific,” detailing the exploitation of multiple teenage girls through force, violence, threats, and coercion. McGee will also serve 15 years of supervised release, register as a sex offender, and face strict restrictions limiting his access to children and the internet.

From April 2019 through February 2020, McGee and his co-conspirators recruited and trafficked minor victims, forcing them to engage in commercial sex acts in cars and motels along the Bissonnet corridor in Houston—an area widely known for trafficking activity. Victims were subjected to daily quotas, violence, and humiliation, and were treated as commodities rather than individuals. Traffickers also exchanged victims among themselves and enforced control through physical abuse and financial exploitation.

Three co-conspirators were previously sentenced to prison terms ranging from 20 to over 30 years. This case was investigated as part of the Human Trafficking Rescue Alliance (HTRA), a longstanding, multi-agency partnership that continues to serve as a national model for coordinated, victim-centered anti-trafficking efforts.

**“Cheyenne Sherriff’s Department reposted it will focus strongly on Human Trafficking this year.”**

### Cheyenne's Federation of Women (Civic League) Clubs focus on Issues Like Domestic Violence, also Human Trafficking

The GFWC Cheyenne clubs (Women's League, X-JWC, and Meadowlarks) partnered in September 2025 for the International Day of Service to support human trafficking victims, providing "Bags of Hope" filled with supplies to local law enforcement. The initiative featured discussions on local sex trafficking, focusing on aiding victims and supporting community safety efforts.

*As GFWC continues its successful trajectory of grassroots advocacy, we proudly highlight legislative actions aimed at prompting Congress to address crucial issues such as domestic violence, women's suffrage, veterans' rights, and vaccination initiatives, among others.*

## Repost of a Letter from Zonta International President Salla Tuominen

Happy Earth Day! (4/22/26)

Today is a day to not only reflect on our connection to the environment, but also recognize how climate change is accelerating humanitarian crises worldwide and how women and girls are bearing the heaviest burden.

The United Nations highlights that women and children displaced by climate impacts now make up an estimated 80% of all people displaced, a figure that reflects both systematic inequality and the failure of governments to plan climate responses that protect those most at risk. Climate shocks worsen inequalities that drive gender-based violence and create barriers to opportunity.

As Zontians, we stand for climate justice, women in decision-making, education equality and ending violence against women. While it might be more obvious to say Earth Day is about climate justice, the facts prove that where climate change is prevalent, these other causes are also impacted. Take a look at the infographic above to see the connection between climate justice and human rights. [\[Full Graphic\]](#)

This Earth Day, Zonta International has partnered with other global organizations to call on governments, the private sector, civil society, and everyday citizens to [Step Forward for Equality](#). Climate action can no longer be delayed, diluted or discussed without those most affected: women and girls, and the women leaders who must sit at every decision-making table where climate priorities are set. You can [read the full statement](#) online now at [www.zonta.org/statements](http://www.zonta.org/statements).

**BUILDING EQUALITY WITH CLIMATE JUSTICE**

**CLIMATE JUSTICE** | Putting gender equity and human rights at the core of decision-making and action on climate change, as women and children are often more vulnerable in natural disasters. **This is Zonta International's focus on climate-related topics.**  
Source: UNDP

**HOW WOMEN ARE AFFECTED** Source: UNFPA and World Bank

- If average temperatures were to increase by just 1°C, women would face a 34% greater loss in total income compared to men.
- 80% of people displaced by climate change are women.
- By 2050, climate change could force up to 216 million people to move within their countries.
- Climate change could force at least 12.5 million girls each year to abandon their education.

Zonta Says NOW seeks climate justice for women and girls - so they can prevent, prepare for, respond to, and recover from, the impacts of climate change on the same basis as men through:

# Zonta Club Meeting Minutes

**Thursday, April 9, 2026**  
**The Office Bar & Grill**

The meeting was called to order by President, Betty Abernethy. Birthday celebrations were shared along with some great family celebrations: Jody's grandson is attending tech school in AZ, Barbara's granddaughter is graduating, Cassandra's parents are visiting and her daughter is turning three, Missie's kids are in full adulting mode, Denise is expecting grandchild #5 (a little girl named Amelia!), Betty's son is buying a home, and Vickie left her puppy alone for an extended time and it didn't have an accident!

Betty announced that the winner of the Cancel Out Zonta basket and one-year membership is Micah Apodaca, who was not able to be in attendance tonight.

Betty asked if everyone had made time to read the minutes from February and review the Treasurer's reports in the Zephyr. No one had any corrections, Tracy moved to approve both, Vickie seconded and the motion carried.

Betty presented the slate of nominations for officers for the 2026-27 year. Unfortunately, there were not enough members to make a quorum to vote, so a motion was made by Dr. Michelle that we cast a ballot of affirmation for the slate of officers and email the list to members. Linda seconded the motion, and with a unanimous vote it was approved. The nominating committee was unable to secure a nomination for the outgoing secretary, Michelle Huff is unable to do this job for a second year due to some scheduling difficulties, so nominations are still being sought for that.

### **Standing Committees:**

**Advocacy & Service:** Denise shared information about the Art Contest. She also shared postcards she created to promote the event, and we need all the members to help get the word out. Entries can be turned in at Flying S Title Company. The reception will be on June 12<sup>th</sup> at the Civic Center. Details are in the April 1 Zephyr and you can contact Denise for postcards to share. The new date for the committee's meetings will be the 4<sup>th</sup> Thursday of the month. The next thing coming up is the Posters & Coasters campaign, and the committee is mulling over some changes to that. Denise shared the date for this

year's Food Drive that we'll participate in with 3 other service clubs is August 22<sup>nd</sup>. Cassandra also shared that they are working on a couple of different scholarships awards currently, the next of which are the Young Leadership Award and Women in Aviation.

**Membership:** Tracy reminded the group that we are in the renewal window now for memberships. She will be emailing out invoices soon and requested that all renewal dues be paid by April 30, so she and the new treasurer have enough time to update and submit everything with ZI and District 12 before the May 31 deadline, as part of our dues go to those parts of our organization. Betty let us know that from Cancel Out, we have 11 people who are interested in joining the Club and will hopefully attend the Cancel Out reception at 5:00 at the Country Club on April 22<sup>nd</sup>. If members have people they would like to invite to the reception, please let Betty know by April 15<sup>th</sup>, and RSVP by April 17<sup>th</sup>.

**Cancel Out Recap:** Denise gave a rundown of the proceeds from Cancel Out, indicating that there were a couple of errors in what was reported in the April Zephyr. Total net proceeds were \$37,038.27! Amazing! The breakdown of funds is below:

Professional Development: \$3700	Safehouse: \$5000
Zonta Club: \$14,800	Foundation: \$1800
Zonta Int'l: \$11,100	Back to seed money: \$38

Kudos were given to Betty and Amy for stepping up to co-chair without a lot of time, to Kathy Orr and her crew who made the room so beautiful and welcome, to Missie who did an amazing job as Master of Ceremony who continued to remind people why we were there and who we were raising money for, and generally keeping the night going in a positive direction, to Denise who organized the challenge of gathering and separating the money, to Tracy for the silent auction baskets, to Jennica for the striking and effective T-Shirt display, to Mary Walker for the silhouettes, to Joelle for the great publicity job and to all the members who attended and helped in every way. Betty also let us know that she tentatively reserved the CFD venue for the first Friday in March 2027, and that the auctioneer and Missie are also locked in.

Cassandra brought up that it seemed we may have oversold seats, as there were sponsor tables who didn't have attendees, but that others had to use those tables, something to look at next year. Mary Walker shared that when she returned the silhouettes this year, the people receiving them said that of all the organizations who use the silhouettes, Zonta is the most consistent. She shared with them about Ty Warner, and they said they will be using his music at their events this year. Jody and others agreed that lots of good feedback was heard about Ty and his crew.

## Old Business:

Zonta International Conference: We will have two delegates (Denise and Mary), and one alternate (Betty), who will be attending, along with Jennica, possibly. The Board voted to provide \$500 to each delegate and alternate, and \$300 to other members who want to go, funded out of our Professional Development fund. The conference is July 11-14 in Vancouver, BC.

Safehouse Luncheon: This event will be held at CFD, Tuesday, May 12<sup>th</sup> at 11:30 am. The Board voted last month via email, to sponsor a table as this is a great opportunity for us to support Safehouse and network with like-minded groups. The table cost \$1000 to sponsor, and each Zonta member who attends will pay \$50 for their seat. Of the eight spots five are filled, so please let Betty or Tracy know if you would like to attend.

## New Business

Add Your Voice Campaign: This is an annual membership drive by ZI and includes anyone who joins and/or renews in April or May, which gives others a chance for some recognition. D12 Governor, Debbie Sundberg, sent us the gift of Zonta cards with information you can share. Please find Betty at our next event to get some of these little gems. The District has a goal of 550 members by June 1, and we are currently at 450. Denise shared a story about when she was at the District conference in Boulder and how Debbie's unique little information cards helped: She was speaking to the bartender who was asking questions about Zonta. She handed her one of the cards and the bartender was so excited to learn more.

## Other Business

The May monthly meeting is set for 5:00 on May 14<sup>th</sup> and will be held at the Country Club, as this is when we induct new members and officers. The cost will be \$35/person to include choice of two dinners, dessert, and non-alcoholic drinks, with other drinks available for purchase. We hope to have as many members as possible in attendance. Watch your emails for updates.

Denise reminded us that WYO Gives is July 15<sup>th</sup>, and that the Foundation will sign up as you must have a 501( c)(3) status to participate. Kristie Wilson will help us to really promote it this year, as we have not in the past. Plan to donate that day.

With no other business, Missie moved to adjourn the meeting, and Vickie seconded. The meeting was adjourned.

Respectfully submitted,  
Tracy Myers and Kathy Orr

**Dues are due, please send those in ASAP.**
